Dear Parents 19 January 2011

CRICKET SHIRTS

Last year we introduced a new cricket shirt for our cricketers and would like to encourage all boys from U10 to U13 to play their matches wearing the 'new' shirt. The moisture management fabric with royal blue piping and SACS Badge stands out and our boys look very smart on the field.

Please complete the reply-slip below to place the order for your son(s). The cost of the shirt is **R130** and we would like to please ask for payment on order so that there are no discrepancies at a later date. Once all reply-slips have been returned we will place the order with the manufacturer. It is important to place your order now as the next order will only be placed in 2012. Sizing will be done once I have all the replies.

Please return your reply slip to the School by latest **Tuesday 1 February** and place in an envelope **clearly marked 'CRICKET SHIRT'**, together with the correct payment.

Payment can be made either in cash or cheque (payable to SACS 150 Development Fund), or by EFT. If you are paying via EFT please use Cricket Shirt as the reference, and note that we require proof of transfer attached to your reply-slip in order to accept your order.

Yours sincerely

Andy Kirsten
