Dear Parents

GRADE R FEES for 2017

The SACS Pre-Primary Council has discussed, agreed and confirmed the Grade R school fees for 2017. This budget includes provision for the school fees, payable by parents, which are required in order to meet the budgetary requirements. While the SACS Pre-primary School is an Independent School, our goal is to keep the fees in line with those of the SACS Junior School, where possible. The budget was reviewed by the Pre-Primary Staff and Senior Management Team, according to the needs of the School for 2017.

The GRADE R School fees are accordingly R 39 700 for 2017.

R230 will be added to the first account for a compulsory, individual speech, ear and eye test. In addition to this, parents are expected to pay for certain extramural activities available at, or through, the School.

School fees may be paid by direct deposit into the School's bank account or preferably by debit order, in ten equal payments from February to November. Fees paid per term must be paid in advance. If fees are paid in a lump sum by 31 January 2017, a discount of R 1191 will be offered.

The contribution to the **SACS Building & Development Fund** (a combined fund for all three schools on the SACS Estate) remains the same at **R 2 500 per family per year** and is a tax deductible donation. This levy enables the South African College Schools to grow through various capital development projects and plans for the future. This is critical to allow us to maintain our position as one of South Africa's finest educational institutions.

The following details are pertinent to your fee payment (s) for 2017:

Payments:	Per Monthly Debit order Feb to Nov	Per term in advance	Per annum By 31 January 2017
COMPULSORY FEE	R 3 970	R 9 925	R 39 700

Building and Development Fund (Voluntary family levy)	R 250	R 625	R 2 500

In addition: Compulsory speech, ear and eye test	R 230 (Feb only)	R 230 (1st term)	R 230 (1st term)

We look forward to the high degree of co-operation and commitment from parents that has come to epitomise the SACS ethos.

Yours faithfully

Chris Rightford
